

Hayne Devon does 4 Weddings...

The wedding season is likely to take on a very new look this year and **this spring** Hayne Devon is delighted to offer a bespoke wedding experience that embraces the ongoing restrictions.

Start planning now for a **Magical Elopement** or a **Micro-Wedding** and your special day will be at a time at a time when Hayne's enchanting gardens are bursting with flowers and the weather is at its most glorious.

Licensed for civil wedding and partnership ceremonies, Hayne is much more than simply a venue. Nestling in the foothills of Devon, the 400-year-old farmhouse and barns sit amongst sacred groves of ancient oak woodland and pasture, overlooking a breath-taking valley that steps gently down to a bend in the river Yeo.

The site has been sensitively restored by artistic duo Tim and Milla who have seized its magic and now devote their time to ensuring it can provide everything needed for a truly unique day of ceremony and celebration.

Small is Beautiful...

A smaller wedding need not make your day any less special or extravagant. Entertaining fewer guests will free up the budget for live music, beautiful styling, special outfits and a honeymoon.

Tim and his 'Hayne Hot Band' are ready to bring anything on your playlist to life and Milla offers her floristry skills to create anything from large, suspended installations to pretty bridal bouquets and exquisite button-holes, all using flowers grown in the extensive cutting gardens.

The Threshing Barn, Glass Link and Dining Room can each be adapted to suit the level of intimacy you wish to create or be opened up for use all together. There is a fully stocked bar and a carefully curated list of local suppliers who can meet all your wedding needs.

Get married now, party later...

For those who cannot imagine a wedding without the big party, Hayne offers you the option of a ceremony now and party-planning for the future when you can enjoy a weekend of celebration with family and friends back at Hayne.

Whatever you have in mind, Tim and Milla have years of experience and are happy to guide you as much or as little as you would like to a new look wedding that will be as much a day to remember as
